Greetings!

I thank God for giving me this privilege to cooperate with you during this amazingly blessed and interesting summer-fall season. This partnership is vitally important for us. It helps the kids to have a real happy childhood, to get to know Jesus and learn to be good to other people. We are praying that God would protect you, bless every single day of your lives and lead you in whatever you do.

Over the last half a year, the kids had so many celebrations organized for them: Knowledge Day, a summer camp, Birthday parties. They learned how to work in the garden, water vegetables, plant trees and harvest. Beside this, the kids had a trip to Kyiv for the national Thanksgiving Day. This was an unforgettable experience for them. They also got a chance to go to the Black Sea, where a summer camp was held.

We continue having skills-gaining clubs in our orphanage. For example, there is a crafts-making group called: "My Fantasies' World", where the kids make greeting cards and souvenirs. Another club joins those loving to cook. They make cakes and other delicious dishes.

The Ark orphanage has some good news to share. Three of our older kids have got married this autumn. Another boy, Roman Kantor, was baptized. This fills our hearts with joy and gratitude. Thank you for helping us see these God's miracles and witness such an incredible transformations of lives.

PRAYER REQUESTS:

- There is a need to pray for the kids to find new parents and be happy in a real family;
- Please, pray that God helps us finish a sport playground that we are now building for the children;
- Continue praying for peace in Ukraine.
