Greetings!

We are sending you warm greetings from Ukraine! As we are settling in this new place of our life we see how God has His divine appointments in it. In our ordinary life we see His loving and helping hand. Let us share some news about our life and service in a village of Remeniv. May God bless you!

WEBSITE

We started evening prayer time with the Christian families that live nearby. Every evening we gather with those who are available for prayer and reading the Bible in different homes. It's a wonderful time of prayer and fellowship. We discuss and pray about possibility to start little church gathering and invite our neighbors.

We develop our relationship with Pentecostal church in our village. On October 29 we joined the Thanksgiving Service and had a meeting with the pastor and leaders to present the school concept that we are dreaming of for a long time. We decided to have a special weekly meeting for prayer and discussion of the organizational questions on this matter. We also decided to start Christian Kindergarten in the building of Pentecostal church. We think that this ministry will be a good beginning of our common work and it will give us needed time and skills for future school. There are construction works in a building that can become a kindergarten in a year.

Roman is invited to preach in Greater Grace and

Agape churches. Recently he joined a missionary trip to another town. Albina preached on the book of Ruth to the women's gathering. We were also invited to speak at the seminar for teachers in the city of Lviv. This last season is filled with important and blessed events and meetings. And most of all we are happy have people who share their lives with us and pray for the future church and school.

PRAYER REQUESTS:

- Please, pray for God's blessing on our group, for our growth and ministry to the lost and also for cooperation with other churches;
- Ask God for His direction and provision for Christian Kindergarten and School;
- Support us in prayers for God's provision for our needs and bills.
