This summer-fall season, we organized few hikes in Carpathian Mountains. Every time, almost half of a group were unbelieving people. Those hikes gave us a chance to share the Gospel with them and study the Bible. Every day, we were asking God's blessings on us and then we witnessed them. For example, we prayed for good weather - and got an answer.

During one of those hikes, our groups testified to a woman who had gone through divorce. We ensured her that only God can heal her wounds, not a man. Another young guy had a question about faith and religion, so we tried to explain the difference.

In autumn, we formed a group of students for our foreign languages courses. They are held once a week and consists of two parts: one hour of language learning and another - Bible studying. About 30 people divided into 5 groups visited these courses. Most of them were not members of a church. God has blessed this ministry and now many of them seek God and are willing to get to know Him better. We are praying to see their repentance.

Our Sunday services format has been changed a little bit. We aim at making the Word of God penetrate deep into people's minds and souls. Therefore, not only do we have sermons during the services, but also some kind of a Bible study and discussion. Gradually, it becomes a significant part of our Sunday gatherings. This format helps people to understand the meaning of the Bible and shows different ways to apply the Word of God to their lives.

### PRAYER REQUESTS:

- Please, pray for the people we met during our hikes and Evangelical outreaches to repent and join the church;
- Join us in prayers that many young people and ministers come to church;
- Also pray for small Bible groups that we are about to start.
