Vasyl Voloshyn preaches at the regular church meeting on Sundays and Wednesdays. Also he preaches in other churches on the invitation of the pastors. Every week Vasyl conducts Bible studying meetings for people who seek God. Upon completion of each Bible book, the final session with the general lunch is held.

On August 6-12, we participated in a camp for unbelievers, where daily Bible lessons for two older groups (men and women aged 29 to 45) were held. On August 13, a common lunch was organized at our home for the camp team to sum up and discuss the work done.

On September 04-08, we organized a training conference for leaders from across Ukraine. Vasyl spoke every day to the participants of the

conference who found the information very useful for their ministries in different parts of Ukraine. Olga held a lecture called "Leader-Servant", as well as sessions for leaders who started women's ministries.

On October 08-13, we conducted a training for women of different generations from all regions of Ukraine, where Jill Rhodes presented her new "Purposefully Combined" course. The training took place in a warm friendly atmosphere and had a positive impact on all members. After arriving home, each group held a presentation of the things they heard at the seminars.

PRAYER REQUESTS:

- We ask you to support our family in prayers, so that we continue serving God;
- Also pray for the health of the family members;
