This summer, our local church held a summer camp for children. We hosted 65 kids aged from 7 to 14. Majority of those joining the camp were children that live close to a church building. It was not the first time that we organized a camp, so this one was also held on a very high level. All the experience we gained, all positive parts from the previous years helped us this time. The main goal of any camp is always to deliver God's Truth to the kids.

The camp had everything children could dream of - tasty food, Bible classes, sport games, fellowship. Last time, we asked you to pray for a sport instructor. And God answered your prayers. Teachers and camp leaders also got their reward - they had an amazing trip to Lviv city afterwards. They liked this beautiful historic place so much. Not only once a year in the summer camps do we have a great time with our teenagers and youth. There are also regular youth meetings in our church during which we study different Bible topics.

## PRAYER REQUESTS:

- Please, pray for the people living next to the church to get to know the Lord;
- Join us in prayers for the youth ministry to grow and raise new leaders for God's glory.
