In summer 2017, we conducted a wonderful youth camp that was aimed to reach young people who are not believers yet. Most of the Christian youth who participated in the camp were involved into the leadership team. We invited pastors and youth leaders of Ukraine and Moldova to be the speakers of the conference. In the center of the camp program, there was a name of Jesus, that can save, and we give glory to God for all those who heard it first time in their lives.

During summer-fall period, we held regular meetings of our youth club "Come with us". Every event was about new people who do not know Jesus. We held different quests in summer, sessions for teenagers 3 times a week and English lesson by Christian teachers. We have already seen the fruits. 10 young people started attending church, some got involved into church services as volunteers of a greeting team and worship team.

We continue feeding poor people through our mobile kitchen. One man Serhiy accepted Christ as his Lord and was baptized by the Holy Spirit. The doctors said he would never walk again and for the last few years he has been using wheelchair and mostly stayed home. Now he attends church using crutches and we pay for taxi to help him get to the church. We glorify God for His mercy, faithfulness and love!

PRAYER REQUESTS:

- Please, ask God to give wisdom and patience to the team that ministers to young people;
- Support us in prayers for repentance of more people through the work we do.
