Greetings!

From all members of our church, we would love to greet you and thank you for the great work you do on the field of God. If it was not for your prayers, we wouldn't be able to continue our ministry. May God bless you richly!

This summer started from an amazing baptism. In June, few people claimed their faith and promised to serve God with all their minds, hearts and strength. We also organized a one-week summer camp for 70 people. It was a blessed time of intimate fellowship, worship and God seeking.

Our church has an English club for students that is held on permanent basis. Beside this, we organize special meetings for young people where they are taught how to build their lives and maintain close relationships with God.

In the fall, there was a great Thanksgiving day in our church. We gathered to worship God and give Him glory for whatever He sends us. For those who doesn't know God yet we held 7 Evangelical meetings, attended by 100 people

each. Such meetings helped to open the hearts to God's truth and find understanding and consolation.

PRAYER REQUESTS:

- Please, pray that the young people we work with would repent;
- Ask God to help us with a building big enough for our Sunday services. It has been over 2 years now that we cannot find one;
- Pray for our media-ministry through which we want to reach not only people from Lviv but from beyond the city.
