Thank you so much for all your priceless prayers and material support. It is a great testimony of God's love to us and our children. God bless you!

During the summer-fall season, we experienced a lot of God's blessings and demonstrations of His mercy. We had a great joy on one Sunday service when while Angelina was singing, 11 people came up for a repentance prayer. The girl loves singing and worshipping God in songs. However, she often suffers from health issues. She has terrible headaches. In addition, her eyes, however blind, also cause pain. But she is never in despair being a great example for others. Wherever we go, she says: "Here we go to serve the Lord!"

This summer, God gave us a chance to visit our brothers and sisters in Germany and Belarus. An amazing blessing was to have a family retreat on the seashore. Many things are going on, kids are growing up and it is more and more difficult to find time for a family reunion. The children had a good rest that worked well both for spiritual and physical health.

In September, our family went to Kyiv for a

national Thanksgiving Day. Thousands brothers and sisters joined in a grateful prayer. We thanked God for His mercy, patience and for the daily bread. For our children, especially those adopted, it was a real testimony. They were amazed at the amount of Christians who were joyfully sharing their faith. Their faces alone were showing that God was a source of their happiness.

This year, Bathsheba has finished school and entered Music College specializing in violin. The girl had very good results of her exams and therefore took the first place in rating. Another three kids of ours are finishing school next year. Lia got her bachelor degree and now is studying for master. In September, there was also the first wedding of our kids - Ester married Maxim.
