

Summer-Fall 2019

Vasyl Basaraba, Horodyshe village, Rivne region, Ukraine (111)

Greetings!

We always give thanks to God for your tireless work for the Lord's glory and for His Church. The 2019 year ends as every year dedicated to the Lord ends. Looking at the path that has been walked, I want to ask Him for forgiveness, and thank Him for His rich and multiple blessings. We believe that in the future, the Lord will lead us through trials and will give us victory in hardships and tribulations.

The End Times seem to get closer with every year. People are becoming more and more coldhearted and increasingly indifferent to the Gospel. I want more convicts to hear the Living Word that changes people's hearts. A huge hypocrisy is visible in prison. Our mission is to preach the Word and to show with our devoted lives the meaning of Christ's sacrifice to the convicted prisoners and to the administrative staff in jails. We do various evangelistic ministries in colony No. 96.

The preachers and deacons serve in various churches of the region. This is a special gift for the Church when young brothers faithfully and enthusiastically carry out ministry at this difficult time. It is also very pleasing to know that wives usually are willing to walk alongside their husbands in serving God and His Church.

In our local church in Horodyshe, we continue our work with children and adolescents. Our

youth is always very active in the ministry. They held two camps for children (about 270 people total) and organized regular meetings with teenagers. Four young people repented at the festival despite the opposition of their parents. We believe that the Lord will continue leading us in this ministry of church camps in the region.

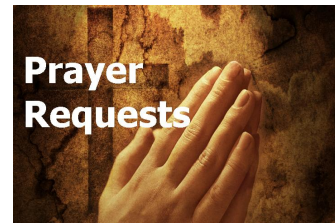

There are various churches in our area that have served for 100 years or more. Celebrating such anniversaries is particularly important, as the generations that lived before us have been through many hardships, persecutions, wartimes, and various political upheavals. The Words of Christ addressed to His children are true and influential at all times. We are deeply convinced that the gates of hell will never consume the Church.

PRAYER REQUESTS:

- Please pray for fruitful ministries in colony No. 96;
- Pray for the blessing of the teenage ministry team;
- Pray for the financial support of my family and ministries;
- Pray the Lord will provide job opportunities for young people in the region (especially those who have families).
