Greetings!

We feel God's love and care through your constant support. How precious it is to know that there are brothers and sisters on the other side of the world who are as close as family, who care for us, pray for our ministry and share blessings. Thank you from the bottom of our hearts! You are always in our prayers!

Shortly on what was happening during this last season. On September 30, we had great time in the Word and fellowship with our leaders in Lviv. About 30 teachers came. We talked about living out our faith, unconditional love of God, shared some vision and plans.

At the end of October, we had great Teacher Training Conference in Rivne. We invited Christian teachers to be our group coordinators. About 70 teachers came and they became very open and attentive audience. First time I gave Mercy and Truth lecture. The content of this lecture became great blessing and revelation for me. The teachers also enjoy it. Also, we had amazing time watching "Jesus" movie, many cried and prayed.

During October, Roman with a friend of his have visited several school and had a presentation for the kids. They had lessons on character development and true-life values. After the presentation, they always received the best feedback from both teachers and students.

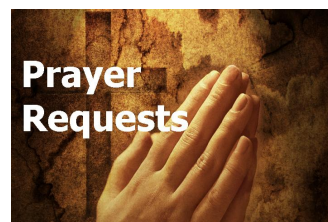

At the beginning of November, Roman and one family went to Odessa to have follow-up meeting with teachers who have been at our Conference last spring. Roman was so blessed to have this ministry in Odessa were big part of his heart is. He took two people from our church to this meeting. Teachers from Odessa revealed their desire and enthusiasm to be a part of a Christian teacher's movement there. So, there is a need to prepare and train them for that.

PRAYER REQUESTS:

- Please, ask God for blessing and wisdom on our future ministry plans - follow-up in Rivne, Bible studies in Odessa, Teachers conference in Kharkiv, seminars in Ternopil, Brody and Drohobych;
- Pray for God to bring us committed disciples in Lviv, Rivne and Odessa so that they can lead teachers' movement at the spots in the future;
- We also ask you to pray for God's protection on our children (as often we do ministry travel - they got sick...);
- Please, pray for God's blessings and support so that we could pay off our debts, fix our car and buy a new computer for the ministry.
