Time flies fast. This year was very rich in different events for children. In the beginning of the year, the kids, as usual, take part in Christmas service preparations. They attend choir practices, participate in different performances of the children ministry, worship God in songs and poetry.

For the Easter holidays, the kids also had to prepare some songs and plays. The preparation process is pure joy for the kids - they enjoy it so much. This time, they were singing accompanied by a professional pianist. It required lots of practice, but the result was worth it! They did great!

Summertime - is kids' favorite season. Not only can they have some rest, but also spend more time with friends, play games outside and visit

summer camps. This summer, they got a chance to go to different camps - hiking camps in Carpathian Mountains, day camps in Truskavets and Drogobych cities. The programs were very intense and the kids loved it.

PRAYER REQUESTS:

- Pray that God would always give the kids chance to go to summer camps, for this is a great opportunity to share the Gospel with them;
- Please, ask God to touch children's hearts and give them repentance;
- Also pray for kids' parents to come to the Lord.
