Greetings!

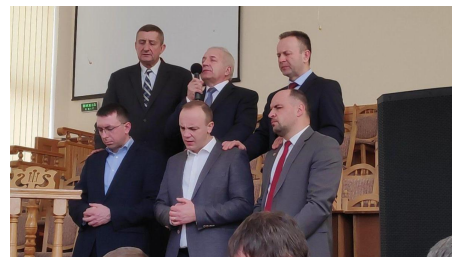

Your work is extremely important to us! Thank you for constantly praying for us and blessing us financially! May the Lord richly reward you for all your deeds! God's work is incredible and, what is even more wonderful, our hearts are fully given to Him! We are very much grateful to you for helping us in 2019.

On the first three days of February, the Lord gave us a wonderful opportunity to hold a fourth workshop for teachers working in Sunday school and children camps. It was conducted in a form of a trip and themed "Personal Purity". If I myself do not live by the Word of God, then my evangelism will never really touch people's hearts. This was a good time for spiritual growth and self-analysis.

On March 9, I participated in a conference where I was elected as senior pastor of the Evangelical church in Rivne region. The conference was attended by 119 representatives from 98 communities. Speaking to those in attendance, I expressed my vision of our joint work. In particular, I laid out three goals to be met: helping the preachers and church leaders more, encouraging the youth to pastorate, and combine the experience of older generation with aspirations and potential of young people. On March 10, the whole church prayed for my new ministry. I thank God for entrusting me such an important job! I hope to make His will come true through our church.

Praise God, we opened a Christian school called "Svitohlad" (Worldview) on September 1. After a big worship service, the first school bell rang

for first and second graders. Now, 19 first-graders and 7 second-graders study daily, gaining new knowledge and experience. Now, we especially need good English teachers to come and work in our school.

On June 2, 18 brothers and sisters, mostly young people, got baptized, making a covenant with the Lord. This special service is held every year out in open air. It was a really good time for our Church. On October 9-14, our brothers had a missionary trip to the warzone, small town Pokrovsk, getting an opportunity to serve people who suffer because of war, and especially talk to those who do not yet know the living God.

We continue working in many areas, particularly the following: home meetings; teen meetings are held every Saturday; English club on Friday; Sunday school "The town of the children"; youth rendezvous every second and fourth Sunday of the month; prayer meetings on the third Sunday of each month; regular Family club meetings; regular visits to the nursing home; regular visits of people who live in a hospice; patients diagnosed with cancer are visited in a hospital; regular meetings are held every Sunday for widows and mothers of soldiers who fight or died on the front-line in the Eastern Ukraine. I genuinely thank you for praying for my daughter Anna. She is currently studying in a Missionary Youth School in Norway. It is not the whole list of what is being done through our ministry. The Lord is doing an incredible work in our lives! He is tireless and He uses us as His ministers!

PRAYER REQUESTS:

- Pray for God's wisdom in serving the people in our region;
- Please, pray for my family, and so that all my children would make personal decision to follow Christ;
- Join us in prayers for a newly created school and for organizing an English club in our church.
