Our children have grown up and now they are actively serving at the church. Slavik and Nadia attend youth meetings in Lviv. Nadia has graduated from school and now studies at vocational training. Slavik is serving with the Gideon brothers. He is helping to distribute hundreds of Bibles. There are many new people who are attending our church. This summer we organized a summer camps for 80 people. Thank you for your help with the summer camps.

This year, our son Volodya got married. His wife is a new believer, and her parents are non-believers. We pray for them, so that they would accept Jesus as their personal Savior. Please pray with us for their salvation. This Spring, Iryna's health got worse. We started treatment and only now we see some improvements. We spent the whole month of September at the hospital.

Our foster daughter Vasylyna was beaten up by her husband. He broke her chin. He got so drunk and beaten up his wife. Police came and

arrested him and emergency car took Vasylyna to the hospital. We took home their 6 months old child and were taking care of her and then later Vasylyna came back from the hospital and we were taking care of her as well. Now Vasylyna is feeling much better, she has started reading Bible and praying and attends church regularly. Her husband has repented and asked for forgiveness and they are reunited and both attending the church and praying together.

We continue our ministry to teenagers. We organized the Brain-Ring. Contest in reciting Bible verses. These are teenagers from non-believing families. After that, we organized this kind of contest for the members of our church. We learned that the members of our church don't know the Bible as well as the teenagers who attend a teen club.

### PRAYER REQUESTS:

- Please, pray for Vasylyna and her husband and their family;
- Also, ask God to give me and my wife strength, health and wisdom to raise these kids for the glory of God;
- Pray for our country to overcome this difficult period of war and regain peace.
