

General report 2019

Lida Onyshko, Evangelism for Children Foundation, Lviv, Ukraine (49)

Greetings!

Thanks a lot for your financial support. My team and I really appreciate your help. It serves as a great encouragement for us to know that there are people who are not indifferent to the fate of children. This year was not easy. Nevertheless, it was blessed by God. Thank you very much for making it better for us! May the Lord richly bless you all!

God has guided us to serve little children in Lviv in 2019. We had an opportunity to bring the Word of God to the kids in 10 orphanages, three hospitals, a children's shelter, two libraries, one school, hold one stationary and eight one-day camps, organize group meetings called "the Good News", as well as festive celebrations for children and post-camp meeting for camp workers. We prayed to God about all of these events and asked people for their help and financial support. For many years, God has encouraged many Christians, in particular you, to support our ministry.

In late 2018 and early 2019, we held two Bible study courses for teachers. 17 people can now put their knowledge into practice teaching children in their churches the Word of God. We have also received an invitation to organize Bible study seminars for teachers living in Poland. In November, 8 students from Warsaw attended a training course "Effective education of Children". They want to start a Sunday School for children in the church, as well as organize Christmas festive celebration for the

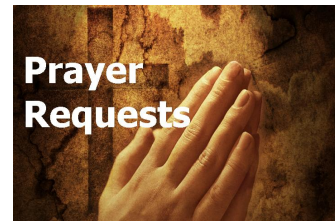

kids in their city. They certainly need our prayers and wisdom from the Lord.

I have recently spoke with a member of one Evangelical Church whose children attend our Bible study groups, and he sounded extremely excited about that. He said that he always thanks God for us in his prayers and that not a long time ago he and his family participated in our camps, where they heard the Word of God and turned to the Lord. Even their youngest daughter decided to be baptized. Praise God for using you and us in sparking their desire to follow Him. They made probably the most important choice in their lives at our camp. We pray that the Lord will work in the hearts of children and adults. We want to see clearly where God wants to send us to fulfill His will.

PRAYER REQUESTS:

- We ask you to pray that many churches of Lviv region understand the importance of preaching the Gospel to kids;
- Also, pray along with us for the support of the Church in Warsaw, for the creation and development of Sunday School;
- Pray for Nastia, a teenager who often misbehaves and is rude to other children of the orphanage. May the Lord reach out to her heart;
- Pray so that God gives us strength to carry out the ministry.
