

General report 2019

Olga and Vasyl Voloshyn, Ternopil, Ukraine (66)

Greetings!

We are sincerely grateful to you for your partnership and help to our family. Your support is significant and very valuable. We want to wish you lots of strength and lots of health and success in your work and ministry. We want to wish you a merry Christmas and a Happy new 2020. Blessings to your families. Never be lacking in zeal, but keep your spiritual fervor, serving the Lord. Romans 12:11 (NIV) Our ministry during 2019 was very active and busy. We have been busy in our local church and in ministering to other churches and leaders all around Ukraine.

Vasyl preaches in local Church in Ternopil, in Ternopil Province and other provinces in Ukraine. We have a study for the new preachers in our Church. This is a good opportunity for the preachers with experience to share their knowledge with the new preachers. We see a lot of new young and dynamic preachers growing as a result of this ministry. It added so much to the preaching of our church.

We organized 4 conferences for women leaders who are responsible for women study in their churches. This way the Word and the study was multiplied in many ways. On November 8-9, we organized a big Conference for 400 women from all over Ukraine. These are the women leaders of small Bible study groups in their churches.

We have 2 Bible study groups at our house that we lead weekly. Both of these groups consist of

non-believing people. One group is for the parents of the children who are part of HART Child Sponsorship project. We see many fruit from this group. CSP is a very big blessing for our Church and churches around Ukraine. Second group is for new believers from our church.

PRAYER REQUESTS:

- Please, pray for our family so that we can continue our ministry and grow in the Lord;
- Also pray for our church. We pray for many more people in our city to come to know Jesus;
- We ask you to pray for the women's ministry in our country as women are the backbone of our churches and Ukrainian society;
- Pray with us for the peace in our country. May the Lord protect our country from war and bloodshed.
