

General report 2019

Taras Voloshyn, Medical ministry, Ternopil, Ukraine (67)

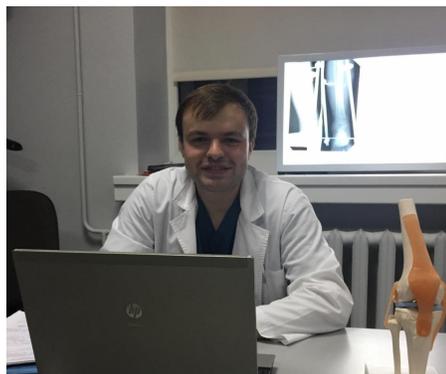

Greetings!

I am sincerely grateful, my dear sponsors, for your prayers, financial support, medicines and disposables, which is very valuable to me and my patients, because there is not proper financing and procurement of equipment, tools and materials for public health institutions from budget.

➤ | [WEBSITE](#)

Thanks to your help, we managed to become one of the first in Ukraine to begin endoscopic spine surgery - this is the newest method of surgical intervention on spine that shortens the patient's stay in an operating room and hospital, reduces injuries during surgery, and is less traumatic, which significantly accelerates the rehabilitation and return of the patient to work. This year we started to perform another type of spine surgeries endoscopically.

I appreciate the priceless help from Dr. David Cenaiko and the sincerity and participation from the president of HART missions, Lloyd Cenaiko. With big joy, I continue my work as an orthopedic and spinal surgeon at Ternopil University Hospital. This year, I was also blessed to go for an internship training in Germany. I pray to God that my work may bring good fruit to sick people of Ukraine, and may be also a living testimony of mercy and love to people of our region for the glory of the Lord.

During this year, thanks to HART, we have received lots of helpful tools and materials that

we now use in our everyday work. For example, box with disposable materials, which is valuable help in the daily work of the traumatology department and a significant help to our patients. We are also deeply thankful for a special tool for removing gypsum and plastic casts and a set of original gypsum cast. In addition, the laptop as present from HART is a great help in work. May God bless you richly and help you in everyday life!

PRAYER REQUESTS:

- Please, pray for me in this hard work and may God give me wisdom;
- Also, pray for the Government's effective and active healthcare reform in Ukraine.

OUR MISSION

HART is dedicated to alleviating poverty and injustice in Eastern Europe. We work alongside local churches and ministries and give them the tools to build a better world for themselves, their communities, and their countries.
