

General report 2019

Myhailo and Halyna Kenyo, New Life Church, Lviv, Ukraine (7)

Greetings!

We are sincerely grateful to you for your precious support of our ministry. We feel your support and can therefore continue doing what God has commanded us to do - ministering to the poor, to our youth, to orphans, imprisoned, alcohol and drug addicts and to those in need. And to all who need salvation and Jesus Christ. Thank you! May God bless you!

We continue our ministry in prisons of our city and province. As a result of our ministry in some of the prisons the Church of Christ has been planted. Even the most terrible criminals when hearing the Word of God would open their hearts and repent.

Also, we visit different orphanages with Christian programs, as well as shelter homes for women with disabilities. They always need cloth and hygiene products. This year, we started cooperation with a shelter for disabled men, where there is 135 men who need support.

Our church serves alcohol and drug addicts. We invite them to come to our Saturday meetings. For the kids and their parents from HART Child Sponsorship Project, we organized a sewing

class at our church. Also, we visit Gypsy villages near Lviv and provide the Gypsies with hygiene necessities, food, cloth and medicines. We also teach the Gypsy kids to read and write.

Our church member and CSP case-worker Oksana Karpiak continues her ministry at public schools. She runs a program called "Revival" for students. We praise God that we still have the possibility to reach children and the doors of public schools are still open to the Good News.

Our church in Lviv is also growing. Recently, we had a water baptism for 7 new members of the church. This year, we also tried to put emphasis on spiritual growth and Biblical education. Thus, a lot of our brothers went to Kyiv to study at the Seminary. Once they are back in Lviv, they can start Bible study groups at our church.

The construction works of the second floor of our House of Prayer are finished! There we have a cozy meeting hall, classrooms and some other rooms that will be used for youth conferences, services and seminars. Also, we almost finished a kitchen. This summer, our church also held several summer camps. They were as usual successful and fruitful.

PRAYER REQUESTS:

- Please, pray for the ministry to the Gypsies;
- Pray for those who are willing to be baptized, however their relatives are against this decision;
- Ask God to bless this winter season as we face some financial difficulties with paying the utility

bills for central heating.
