Volodymyr Omelchuk, Grace Church, Irpin, Kyiv region, Ukraine (74)

Greetings!

Recently, we have opened a new church in Irpin city. You have supported our ministry for many years! You helped us in the Church of Grace in Kyiv, with the Church of Peace in Kyiv, and now in the Church of Grace in Irpin. An increasing number of people are involved in the lives of these churches, and because of its supporters, the Churches are constantly growing. For all this, thank God and thank you very much!

WEBSITE

In 2019 I was a pastor in Kyiv in Pechersk district. The church is called "The Church of Peace". It was built 2.5 years ago. The church had 169 members. In 2019, 25 people more were baptized. We had two wonderful camps this summer: children's and men's ones. Thank you for your financial support. We have organized 12 Bible study home groups in our Church. All went well, thank God. And our church members allowed us to go to a new Church in Irpin.

We opened a new Church in Irpin (city in Kyiv region) just a few months ago. Around 100,000 people live in Irpin now. The Church started functioning with a small Bible study home group. Now there are 3 groups. There are non-believers in the groups who are open to the Gospel. Three weeks ago, at the Bible study group, one girl accepted Christ immediately. She sent me a message during the Bible study group: "I want to repent. Is it better to do it now or after the Bible group?" It was wonderful, praise God!

PRAYER REQUESTS:

- Please, pray for my family in order for everyone's faith to grow;
- Ask God for the growth of the Church of Grace in Irpin, pray for God to give us open-hearted people;
