

General report 2019

Viktor Kucheruk and his family, Zhytomyr region, Ukraine (94)

Greetings!

Big thanks to the Lord for your support! Thank you very much for helping us to testify about God and bring people closer to Him. May the Lord bless you abundantly for your kindness and generous ministry!

WEBSITE

This year was special for our family because our fifth baby was born! God gave us a son, David. We are grateful to the Lord for each and every child and I pray that my whole family will surrender to Him in a humble service.

We are grateful to God for the opportunity to serve and help people with disabilities! These are really special people and I know the Lord works in our hearts through our relationships with them. In addition to conducting camp programs, we tried to regularly visit those people since we know very well that such visits are very important for them and their families.

A special joy for us this summer was to congratulate our sister Alexandr a on her wedding day. It was a real miracle! Raised in an unbelieving family, she was born disabled and spent her whole life on a wheelchair. Two years ago, Alexandra was invited to a Christian camp, which had profoundly influenced the way she

looked at her life. Apparently, deeply touched by all she had witnessed and heard at the camp, she repented and was baptized last year. This year, God gave her a husband, who also happened to be a genuine Christian! No one ever thought that she would marry, so it was a big blessing for her from the Lord!

Praise the Lord for the young people who willingly serve Him. Many youth meetings with people from other churches were held. Also, young people have been actively participating in organizing camps. It was a great blessing for us to have been able to hold Christian camps together with other churches. Thank you for your cooperation and help in serving the Lord and the people!

PRAYER REQUESTS:

- Pray that the Lord may give wisdom in future ministry;
- Please, pray for more opportunities to serve people with disabilities;
- We ask you to pray that we may glorify the Lord well, and testify about Him to the people during Christmas holidays;
- Please, also pray so that children and young people fully devote their lives to the Savior.
