Summer 2017 began with a camp for orphans. Every year about 100 children who live and study in boarding schools of Ukraine are able to go to the camp. During the camp, we had time for joint reading of the Word of God, prayer and communication. Every leader was responsible for a quality time with the group. We witnessed a great victory in the lives of these children when they asked God to forgive their sins.

Another camp held by our church in the native village of Horodyshe became a great blessing. Every day each group consisted of about 20 children or teenagers who were able to become friends and build a team. During a biblical hour, we were reflecting on divine truths. In the evening, we gathered around the fire to worship God with songs and sincerely talk about vital issues in the light of the Bible.

Every summer young people of Rivne region

have an opportunity to take part in a festival. This year the festival was held in the picturesque village of Khrinnyky. About 300 young people gathered for active recreation and spiritual inspiration. A significant part of those attending the evening services were not Christians. There was one hour for the Bible study in groups each day of the festival.

We continue our ministry in the prison of Horodyshe. We are grateful to God for the opportunity to preach the Word during our regular visits. Personal communication and words of support are very important for the convicted. God prompts the hearts of the brothers who are convicted to bring other prisoners to our services. It is a great miracle to see how hearts that are cruel because of the sin are melt by the love of God.

PRAYER REQUESTS:

- Please, pray for the spiritual growth of the ministers and power from God;
- Pray for change in the life of the convicted, for the repentance of many imprisoned;
- Ask God to give young people a desire to know Him and His will for their life.
