**Greetings!**

We thank the Lord for your sacrificial service and support of the ministers in Rivne region. It is exceedingly valuable to feel the mighty hand of God through the work of HART mission. May the Lord be glorified in Your life and ministry!

During the summer period various camps for children, teenagers, as well as youth regional festivals were held. Hundreds of young people listened, learned to grow in faith and repented in their sins. Teams of young ministers faithfully served, offered finances and time to share the experience of their ministry.

The great opportunity to share the Word of God was the celebration of the 500th Anniversary of the Reformation. Many educational events were held in the cities and villages of the region. A lot of young people, various music groups were involved. In the halls and in the open air, the Good News was preached. The local state administrations and their employees usually participated in these events too.

Many churches in Rivne region performed baptism. The number of people who are

baptized practically show the fruit of our work in a year 2017. More than 300 people in the area made a covenant with the Lord. New churches are filled with faith and grace of God. We are also preparing various Christmas activities for 96 prisons, including meetings with administration and children of those serving in prisons.
