This fall we started holding a youth club every Saturday. This is where we build relationships with young people and also share the Good News with them. When we come together as a small group, it helps understand better the people whom the Lord entrusts to us. Also we started the sisters' group for the girls, where we read together the Gospel of Matthew.

We organized a trip to Chat rocks for the ministers of the church and the youth with whom we work. It was a blessed time, since we could spend all day together. We prepared interesting games to play at the rocks and also organized a small picnic in a beautiful place. The youth was delighted with this idea.

Another event was the participation of our church in a missionary trip to Novohrad-Volynskiy, organized by 4 churches. We played a concert, preached the Gospel and communicated with the youth. To celebrate this

great season, we organized the Thanksgiving holiday, where we reminded ourselves to be grateful for everything we have.

Unfortunately, this season was also full of difficulties and health issues. At first, the pastor got into the hospital because of heart problems. Another minister received food poisoning. And now, a girl Olya, whom we take care of with HART mission, was in the hospital because of appendicitis. The church helps her parents cover part of the treatment cost. We are glad that her mother can see our care and we pray that she can feel God's love through this situation.

### PRAYER REQUESTS:

- We ask you to pray for the unity of our team;
- Pray for the spiritual growth of youth we work with and for the youth we want to reach;
- Support us in prayers for the health of the pastor.
