Greetings!

We send you our greetings and gratitude for your help and care! Thanks to your support, we are able to continue our ministry in the boarding school. May God's mercy and blessings be with you!

WEBSITE

After all school tests, the children of the boarding school had many opportunities to enjoy summer rest. At the Christian camp "Viphania" they found new friends, learned new songs, games and participated in many competitions. Children grew spiritually, read the Bible, listened about the life of Jesus Christ and prayed. The teenagers enjoyed active rest in an adolescent camp in the village of Somyno. They lived in the tents, studied interesting stories from the Bible, sang Christian songs around the fire with their new friends.

On September 1st, all pupils of a nursery school began a new school year. School days are busy and filled with both joy and difficulties. All children are provided with the necessary school supplies. The children are happy with the lessons. There are many interesting things, like morning prayers, subject competitions and various sports competitions.

The children of the boarding school were active participants of the school fair on Thanksgiving Day. We brought gratitude to Jesus for the harvest, for the country, for our relatives and friends. There were many handmade items and homemade food at the fair.

With great desire children attend Christian clubs "Avana" and "Senior Pupil" where they grow spiritually and physically. Every evening there are conversations on moral and ethical themes under the motto "Ask me?". The children of the boarding school participated in district school competitions and took the second place in the Ukrainian language and the first place in astronomy. Some have medals, commendable letters for prize-winning places in sports.

The children are provided with good living conditions and opportunities of rest. We have a gym, a TV set, 2 computers with an Internet connection, many board games. Through our lives, living conditions, rest, we sincerely thank God, teachers, educators, all employees, as well as all who donates for this ministry. We pray for God's blessings for everyone who supports us.

PRAYER REQUESTS:

- Please, pray for the spiritual life of the children, as well as employees;
- Pray also for our team and their families.
