Greetings!

We send you greetings and gratitude for your help. Our partnership is very important and precious! Thanks to your help, our little church in a mountain village can effectively serve God and be instrument in His hands where we are. Your support is a significant investment into God's work we do in this land. We wish you rich blessings from God!

Our church ministry is growing. This summer was very active, because we conducted two children's camps in the House of Prayer. One camp that lasted a week was organized for children from Child Sponsorship Project. Another one was open for any child from our village as well as neighboring villages. More than 150 children visited the House of Prayer during the summer camps. The children were able to spend time in completely different environment, where God is first place. They played, had fun and learned more about God and Bible. We were able to meet many families and get to know children better.

This fall we had many visits to the families whose children were in the camps. After gathering harvest, people have more free time to attend church events. Twice a week we have Bible studying groups. If someone cannot get to the church because of long distance or bad weather, we usually visit them at home to speak

and pray. This fall we also worked together cutting the trees and cleaning the church yard.

We continue construction and repair works at the House of Prayer. Due to the lack of finances, we did not renovate a big hall where the services will take place. However, we repaired a boiler house and prepared our church for winter. We continue preaching the Gospel to lonely, sick and poor people. The social service and practical help is an important ministry that helps us share the Good News with more people. We believe that church grows when we together listen to the Word of God, support each other and help those in need.

PRAYER REQUESTS:

- Please, continue to pray for me and my family, so that we could serve God together;
- Ask God to bless and grow our church;
- Pray also for our visits to the families and the repentance of the children and their parents;
- Support us in prayer for repairs of the big hall we want to use for our church services.
