Greetings!

Our Church and our ministry are so grateful to HART for your help and support. Together we are extending the borders of Heavenly Kingdom here on Earth. This is a great joy to know that your hearts are open to help us serve our Lord Jesus Christ. This is a real blessing for our church to serve alongside you. We see the results and fruit of our ministry. God is saving more souls who didn't know Him before. May God Bless you!

We have started the construction of the Church building on the plot of land that belongs to our church. We plan to build the church that would seat 350 people. The place that we rent can fit up to 85 people and is too small for us. God is blessing our ministry, as there are so many people who repented and now attend the church services. Our building is completely full, and there are many more who want to come. This is truly work of Holy Spirit. Deep gratitude to HART ministry for helping us with the funds. We were able to build a foundation for the church building. Not, the construction of the walls started.

In the beginning of the fall, our church has started the ministry to women. During women services, they praise the Lord, listen to a sermon, share testimonies, share their stories and perform different master-classes. We encourage women from our church to invite their unbelieving friends and neighbors. Our women are very active so every meeting is very

fruitful. This is a perfect opportunity to introduce unbelieving women to Jesus. We already have fruit of this ministry. Praise God for every soul that comes to know Him.

This fall, we had baptismal service. It was a wonderful blessing to baptize 11 people. God added 11 new members to our local Transfiguration Church. Before the baptismal service, all these people were prepared in our Church Bible school. People who were baptized invited their unbelieving friends, colleagues and family. This was a new type of evangelical outreach for us. We shared the Good News from the Bible with all who came. We praise the Lord for every person who came and pray for his or her salvation. Our church builds relationships with people and tries to be salt for the world.

PRAYER REQUESTS:

- Please, pray for my family, that God would call my children to ministry;
- Join me in prayer for small groups of our church. We pray that God would multiply our numbers and our ministry would grow;
- Pray with us for construction of a House of Prayer. We believe God will bless us with resources;
- Please, pray for one of our ministers who has lungs cancer, we pray for his healing;
- We pray for our evangelists and ministers, so that God would give them more strength to preach the Gospel.
