Greetings!

We are thankful for your support and prayers and would like to share some of the events that became possible because of your help. Summer-fall season was a blessed time for the children in our neighborhood. Thanks to generosity of sponsors and volunteers, we continue preaching the Word of God through our children's ministry. We pray for God's blessings for everyone who works for His glory!

In July, we organized a sport trip for 11 teenagers to Lviv where soccer workshops took place. It was a Brazilian project dedicated to the celebration of 500th Anniversary of Reformation. The professional soccer players shared their testimonies with the children. After the program and sightseeing in Lviv, the teenagers became more open and friendly.

In July 3-9 we conducted a sport camp carried out by the teams from our maternal church and the church "Trinity" in the village of Verkhnye Vysotske. There were 30 teenagers from Lviv and 15 local teenagers. We prepared a sport field and gates for this camp. Every day the members of the camp took part in a tournament, in addition there were many different sports games and competitions. There was also a Bible Hour where we studied the passage from the Bible, and evening communication. The local boys joined us every day at ten o'clock for the morning exercises and went home

after the conversation after 23 o'clock.

The second camp "Choose Life" took place on July 17-22. A team of 9 young leaders organized a program and we invited children from the village to our playground. Every day from 10:00 to 14:30 we had activities for children, and in the afternoon we spent time with teenagers. God blessed the weather and for a whole week we had beautiful sunny days. Every day, 50-60 children were the members of the camp, and on the last day there were 68 children. The children enjoyed games, needlework and Bible lessons. We thank God for the opportunity to convey the Good News to the little children's hearts.

On July 24-29, we conducted another camp for teenagers from our church, as well as local girls and boys. The initial goal was to establish relationships between adolescents from the church and the village, and to preach the Gospel. We experienced some challenges during this camp but still felt very blessed by a very busy program, and new speakers who preached the Word every evening.

In September, we started new season in Sunday school. We have more children now and especially teenage boys and girls always wait for new meetings. Every week play games, communicate and read the Bible, watch movies, girls like baking and needlework. For the special holidays like Christmas and Easter, we prepare a program for the parents, where they can see their kids acting, singing and reciting poems.

My wife and I started the 3rd year at the Ukrainian Bible Theological Seminary. The training is very useful both for personal spiritual growth and for our ministry to people. We continue regular Bible study groups in two families and also visit new people, communicate, preach the Gospel and offer them to study the Word of God.

PRAYER REQUESTS:

- Please, pray for our family to be strong and wise in

reaching more people for God;

- Pray for the faith of children of our Sunday school and teenagers who attend our meetings.

OUR MISSION

HART is dedicated to alleviating poverty and injustice in Eastern Europe, by working alongside local people, organizations and churches, giving them the tools to build a better world for themselves, their communities and their countries.
