This summer, we managed to hold a health camp for 120 children near the Svitiyaz lake. Those kids from "Revival" center are from dysfunctional, needy families, or those living under difficult circumstances. There were also few kids from Belarus, Italy and Russia, who came to Ukraine for summertime to visit their grandparents.

The theme of our camp was: "The Lord is my doctor". We were teaching the kids that God heals their hearts, that they have to obey their parents, respect and love their peers, as their Heavenly Father leads all people with His mighty hand. Every day, another topic was in focus.

Another three camps we had in Blagodatne village, Zabolotsi village and Grybovychi. It was a great time of getting to know each other and seeking God.

"Revival" Children and Youth Center has already been working for over 19 years. It hosts children from dysfunctional families, orphans and poor kids to give them a chance to spend their after-school time, taste delicious dinners and find friends. The main goal, of course, is to tell them the God's Truth and pray with them.

### PRAYER REQUESTS:

- Please, pray for our center and for the kids we take care of;
- Pray for the next year summer camps;
- There is also a need to pray for finances and supplies, as during our camp there was a hurricane that damaged our tent and sport equipment so badly.
