This summer we were able to minister to more children through summer camps. The children could choose the kind of camp. Some children enjoyed different activities and fellowship while staying in the comfort of a town, others chose to sleep in tents and be close to the beautiful nature. The most important was that we planned time for Bible lessons, worship and prayer to use every opportunity to encourage children's faith. We saw kids repenting and accepting Jesus as their Savior and we thank God for every opportunity to see His glory through our ministry.

After good summer rest, the new school year has begun, as well as new season in our Sunday school program. In fall we started a course dedicated to Ten Commandments. The children learn them but also discuss how they understand each of them. We plan to involve more children into worship team and had more rehearsals in fall to prepare songs and poems for Christmas celebration in church.

## PRAYER REQUESTS:

- Please, pray for an opportunity for children to go to Christian camps in the future;
- Ask God to give more children a desire to repent and read the Bible.
