Greetings!

We want to thank HART ministry for constant and generous support of the ministries of our church and the ministries of many churches around Eastern Europe. We value the partnership with you. Thanks to your support, we can serve and be fruitful for the Kingdom of our Lord Jesus.

Praying that God would bless you, your families and ministry. Our church continues to serve children, teenagers, youth and young families. In addition, a ministry to poor families - Child Sponsorship Program - is a very special project.

Every Saturday, our church organizes children's club "Happy day". Kids aged from 6 to 14 years old attend this club. We divide them into teams according to their age. Every team has their own program and leaders. There are 40 kids who attend this club and 10 leaders who serve there. The kids come from unbelieving families. Through this kids club we bring the Gospel into their families. We developed good relationships

with the parents of the kids, organize different celebrations and events for the families of the kids. This is a great Evangelical outreach.

In the beginning of September, we started a teen ministry. Children who graduated from Child Sponsorship Program were invited to join the meetings. These are the boys and girls from problematic families that are in crisis. We have fellowship, spend time together, play, talk and have a meal together. Our meetings are held on Sundays after the church services. There are two

young adults who attend the courses "Face to face with God" and want to learn more about God.

We have a ministry to twenty-one family where children do not have either one or two parents. These are very vulnerable and socially unprotected children. We work with the parents, teach them about parenting and invite children to our Sunday school. Parents and relatives are also invited to church services. Often, we organize special meetings - events for the families from this ministry. We organize seminars and trainings for parents, distribute food and clothing.

PRAYER REQUESTS:

- Please, pray with us for salvation and transformation of the families from Child Sponsorship Program;
- Please, pray for the leaders of the church;
- Join us in prayers for our children's club "Happy day";
- Pray with us for the teenagers, youth and young families that we minister to;
- We pray for the financial situation of the church;
- Do not cease from praying for the war in Ukraine to come to end.
