### Greetings!

From the bottom of my heart, sending you gratitude for your support that has been a great help for more than 20 years now. Your participation in children ministry even from beyond the ocean is a great encouragement for us. You were there by our side when we were reaching children with the Good News - in orphanages, shelter homes, schools, hospitals, summer camps. Your support gives us inspiration and willingness to move on in the ministry.

God has blessed us in holding a summer camp in Morshyn city. 49 kids and teenagers joined us in an amazing journey through the Bible together with Ruth. They were learning to make right choices. More than 15 kids asked God to forgive their sins. We also had excursions around the city and tram-rides in Carpathians. We believe that the Word of God that was sowed in children's hearts will work for their salvation.

In the fall, we visited children from the orphanages in Zhuravno, Briukhovychi, Pidgirts. There were kids with different illnesses and disorders. We were glad to have a chance to testify God's love to 210 kids. A lot of stationary stuff was given to them - copybooks, sketchbooks, pencils etc.

In November, we held a course for teachers "Effective teaching. Level 1". This course aimed at showing how to reach our neighbors' kids. Thank God, we had nine students and we are praying for them to be active in children ministry.

### PRAYER REQUESTS:

- Please, ask God to open children hearts to His Word;
- Pray that God gives wisdom to teachers, so that they could reveal God's Truth to the kids;
- Also pray for future projects in the ministry.
