Greetings!

Greetings from your brothers and sisters in Ukraine. We continue our ministry. Nowadays, our ministry has two branches. First, we continue serving our fostered kids. Also we started sports ministry to children and adults. We want to thank you for your prayer and financial support. It is so powerful for us. May God Bless you and reward you for your kind and generous hearts.

This summer our dream came true. We have been praying for it for a while. During all summer, we were building an artificial soccer field right next to our church. We had many children and adults from the district of our town helping us. Thank you Hart for helping us and supporting us in this useful project.

This fall, we had a grand opening of a soccer field next to our church. There were many guests come to this great celebration. It was a good start of a great ministry. Now, we have three groups of children that participate in our sports ministry. They learn Bible and play soccer there. Parents of those kids are very open to us. We continue to build bridges to people's hearts through sports.

For the first time in our City of Kharkiv many Evangelical churches of organized an outreach

downtown. The theme of the outreach was "Youth supports Biblical values of the family". Our Foster family participated in the program of the Celebration and we spoke to many people and witnessed that families that invite God are the strongest and the happiest. God opened the hearts of many people who came to this event.

PRAYER REQUESTS:

- Please, pray for our sports ministry. May God touch and transform the hearts of children and their parents;
- Join us in prayer for our foster family. We are looking for an opportunity to adopt more children from the state run orphanages;
- Pray with us for salvation of all the children that we are ministering to.
