Greetings!

I would like to express my gratitude for your support and prayers! Thanks to your care and God's favor, we were able to continue our ministry in our region during summer-fall season. May God bless your generous heart and desire to be a partner of His work in Ukraine!

In summer, we had many opportunities to minister to children through summer camps. In June we conducted summer camps on the base of two schools of Chernivtsi. One more camp was held in a children's healthcare center Sadhora. Our team also conducted 3 one-day workshops and Bible classes and sport events in governmental camps in Verbychenka, Lunka, Repuzhentsi and Orshivtsi.

In August we conducted a Christian camp for widows and their small children, as well as foster families and orphans who were adopted. Both children and adults were involved into interesting activities, games and Bible lessons. It was a good opportunity to change their everyday live, get inspired and build friendships.

From September to November, we conducted 12

Thanksgiving events in the schools and orphanages of Chernivtsi region. Children were involved into singing and reciting poems, but the most important was to hear that they are grateful to God for their lives and all blessings.

During summer-fall season, we held Bible study lessons every week for the children temporarily taken away from their destructive families, as well as children in a health center Sadhora. God uses the worst times of our lives to remind us that He is good and He cares for us always.

PRAYER REQUESTS:

- Please, pray for our ministry to children and for the hearts of our team members;
- Pray also for the children to accept Jesus as their Savior and learn to trust Him more.
