

Ministry stories 2019

Petro Matviichuk and his wife, Roznychi village, Volyn Region, Ukraine (28)

Greetings!

We are sincerely grateful to you for your spiritual and material support. May God bless you abundantly! Thanks to you and your support we keep working with people addicted to alcohol and we see how God is working with their hearts.

We all know that alcohol addiction is a disease that affects people of all walks of life. This addiction causes serious problems at home, work, breaks families. It is a serious problem and we are doing our best to help those people. We spend time with them travelling and sharing the Gospel which is changing their lives.

This year one of alcohol-addicted people we work with died. Nobody could even think that the death of that man would influence others greatly. At the funeral they attentively listened to the preacher. Some of alcohol-addicted people started thinking about their lives as they realize what is waiting for them after death if they don't give up their bad habit and accept Jesus into their hearts. They tell their friends about our ministry and invite other people who are addicted to alcohol to join our group.

Once again, thank you for your support of our ministry. We believe that "the seeds" we sow into the hearts of those alcohol-addicted people will sprout up one day. May God bless you and your families!

PRAYER REQUESTS:

- We ask you to pray for people we work with to repent and invite Jesus into their hearts;
- Please, join us in the prayer for our ministry and for all people who serve to alcohol-addicted people;
- We ask you to pray for the peace in Ukraine.
